

FLEXI SMOOTH 1004

IP54 Flexible LED Neon Product

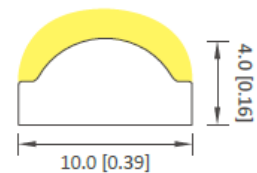

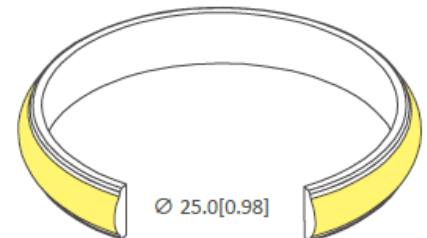

- High quality IP54 Flexible LED Neon product with vertical bend-able
- Dot-less Slim design suitable for thin shelf and shallow application
- Cuttable every 16.66mm
- Small bending radius – 25mm
- UV and yellowish resistant
- L70 B20 > 50,000hrs

Technical Specification

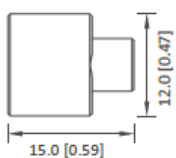

Lumen Output range	62lm/w @ 4000K
Module Power	12W/m
Operation Mode	24V Constant Voltage
Color Temperature	2700K / 3000K/ 4000K
CRI Option	>90
Lifetime	50,000 hrs
Dimension	10mm x 4mm x 5000mm
Bending Radius	25mm
IP Rate	IP54
Dimming Option	Phase cut/1-10V/ DALI
Operating Temp	-20°C to 60°C

Bending Diameter
