

# FLEXI TWIST 360

## IP65 Flexible LED Neon Product

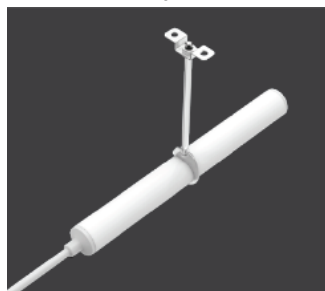

- High quality IP65 Flexible LED Neon product with 360° Light and all direction bendable
- High design flexibility with all accessories option
- White/ Monocolor/ RGB option available
- Length increment of 35.71mm (Length must be customized in factory)
- Small bending radius @ 120mm
- UV and yellowish resistant, salt-mist proof
- IK08 Rating

Technical Specification	
Lumen Output range	1295lm/m (@4000K)
Module Power	16W /m
Operation Mode	24V Constant Voltage
Color Temperature	2700K / 3000K/ 4000K/ 6500K/ RGB
CRI Option	>80
Lifetime	50,000 hrs
Dimension	∅23mm x 5000mm (maximum length)
IP Rate	IP65
Dimming Option	Phase cut/1-10V/ DALI
Operating Temp	-20°C - 60 °C
